

Knights of Columbus 2008 Christmas Party

This year's Christmas party was held in the new Fr. Quigley Center and the beauty of the new building added to the enjoyment of the festivities. Santa was a favorite with all the kids. Gerardo and Jennifer Lopez did a wonderful job putting the whole party together. A special thanks to Jim and Becky Merwald for the center pieces and all their help with setting up and cleanup. Everyone had a good time, especially the kids.
