

Knights of Columbus Annual Coat Drive

The Knights of Columbus 2008 annual coat drive was held September 20th and 21st. This year we collected over 350 coats which went to Catholic Charities to benefit the needy. We collected about 100 more coats than last year. Thanks to brother John Johnson for leading the effort and the other Knights that helped.

John Johnson added new yard signs this year and also coordinated with Holy Trinity School for the kids to bring in coats on Friday, September 19th. Good work and great ideas, John.
